I wrote a song
I wrote it to you
I knew it was wrong
It's just something I do
And you should listen to it
And the words that I say
It's so terrible shit
At least I know that today

I don't feel that way no more
I wish I didn't before
I don't feel that way no more
I wish I didn't before

Have I lost my mind?
Time has told me
That you are not
Who I thought you would be
I was so wrong
I'm full of regret
For writing that song
And all that I said

I don't feel that way no more
I wish I didn't before
I don't feel that way no more
I wish I didn't before

I wrote a song
I wrote it to you
I knew it was wrong
It's just something I do
And you should listen to it
And the words that I say
It's so terrible shit
At least I know that today

I don't feel that way no more
I wish I didn't before
I don't feel that way no more
I wish I didn't before
