ive like your last day

drink like its water

theres no tommorow

And you think no one can hear you

Raise your hands to be called on

you know all the answers

Your the most colourful thing that i've seen

Your the most colourful thing that i've seen

Your the most colourful thing that i've seen

You dance like no-one's watching

Sing 'til the song ends

the you sing some more

And we can hardly believe it

words that flow from your mouth,

Drink like its water

Your the most colourful thing that i've seen

Your the most beautiful thing that i've seen

Your the most colourful thing that i've seen

You are an enigma walking

make no excuses for the way that you carry on

and we can hardly believe it

words that flow from your mouth

Drink like its water girl

Drink like its water girl

Your the most colourful thing that i've seen

Your the most beautiful thing that i've seen

Your the most colourful thing that i've seen

You are so colourful
