I know in you my obsession lies
It's something I can't deny
I thought you would look away
Then off your lips rolls my name
This moment of disarray
It's so satisfying
I would be lying
If I didn't tell you that
In my eyes you're wonderful, and
In my mind it's possible
Can you imagine this vision of mine?
Getting closer
But you're still out of reach
Caught in the middle
And I can't break free
It can only get better
This aching inside me
If love would just find me
How can I tell her, that
In my eyes you're wonderful, and
In my mind it's possible
Can you imagine this vision of mine?
You were a drive-by romance
Now you're my world of ecstasy
And I still believe, oh
If you could see behind my eyes
The more it hurts to love you
In my eyes you're wonderful, and
In my mind it's still possible
There is a picture, a time in my life
It's standing beside me
Everything's right
Can you imagine this vision of mine?
