[Rock]

Ay yo

I walk like a (G)

Talk like a (G)

Ever seen me in beef, my gun bark like a (G)

I rep the whole world from New York like a (G)

Well, I'll be damned, I guess I must be a (G)

I walk like a (G)

Talk like a (G)

I rep the whole world from New York like a (G)

Even when I eat, I hope I fuck like a (G)

Well, I'll be damned, I'm a G (I'm a G)

[Rock (Nate Dogg in background)]

(Verse 1)

I ain't know I was a G, I was a regular dude

I wasn't just plain bad, I wild for cheddar and food

Good, but misunderstood, so at some point, I wiggled out

So when I'm in motion, I ain't realized I flipped out

Swearing, "I ain't out to hurt nobody"

Yet I'm standing in the lobby with a H-I shotty

Minding my homie Ozzie

But if a nigga drop me

He can rob the (???) hotty, just cause I'm mad at my mommy

They caught me, lied to police

Fought my story and said, "I did it"

Shit

I believed my story myself

They wore me to death

Tried to break me down, but nah

Fifteen to 2-to-5, shit, I lied til I cried

You gotta be out of your mind, he's in school everyday

Police 'em

That's what them nigga lay dudes used to say

Geezy, scared, I ain't never claimed to be

But guess what, that's just what made me a G (Nah-nah-nah, nah, nah, nah)

Chorus: Rock {Nate Dogg in background}

Ay yo  
I walk like a (G) {Nah, nah}  
Talk like a (G)  
Ever seen me in beef, my gun bark like a (G) {Nah-nah-nah, nah, nah, nah}  
I rep the whole world from New York like a (G) {Nah, nah}  
Well, I'll be damned, I guess I must be a (G) {Nah-nah-nah, nah, nah, nah}  
I walk like a (G) {Nah, nah}  
Talk like a (G)  
I rep the whole world from New York like a (G) {Nah-nah-nah, nah, nah, nah}  
Even when I eat, I hope I fuck like a (G) {Mmm, hmm}  
Well, I'll be damned, I'm a G (I'm a G)

Hook: Nate Dogg  
All my westside  
G's  
They only hate cause they ain't ya (Ain't ya)  
All my eastside  
G's  
They couldn't play ya, never shake ya (Shake ya)  
All my northside  
G's  
They only, fear us cause they can't get near us (Near us)  
All my southside  
G's  
But they too near us, not to hear us (Nah-nah-nah, nah, nah, nah)

Pre-Verse: Nate Dogg  
Nate Dogg, bangin' on me, 213  
Long Beach City  
D.P.G.  
Always on the move, never do we sleep  
R-O-C, straight ol' G

(Verse 2)  
Ay yo  
I walk  
No, I stalk  
But I talk like a G  
Roll, like I smoke, never choke, I'm a G  
Approach, like I stroke, every hoe like a G  
Murder more when niggas still feel at home in the streets (Anywhere)  
Only a G can say that  
Right now, I'm in  
L.A., black set trippin', with a red and green hat

And it match my shit, though  
Plus, if you didn't know  
I'm tryin' to get out every game and clique out this  
bitch, yo  
I know at least, one thing, they agree  
New York got love, for me, what the fuck y'all think  
You don't know, then you don't know me  
Same reason, return to  
See a M-A-C, to a G, I'm a G!

Repeat Chorus

[Nate Dogg]  
Nah-nah-nah, nah, nah, nah (Must be a)  
Nah, nah  
G  
Walk like a  
G  
Talk like a  
G  
Oh yeah  
G  
Must be a  
G (G)  
Must be (G)  
Must be a G  
G  
Nah-nah-nah, nah, nah, nah

Repeat Chorus

[Nate Dogg]  
Mmm  
Yeah
