

Waldeck "Waiting"

Visit "[Waiting](#)" on MotoLyrics.com

Walking down my neighborhood
Empty streets
Where has everybody gone?
Waiting for the light
(Light)

Waiting for the light
Waiting for the light
Waiting for the light

Street names turn into a blur
Barely visible
Frozen shadows around me
Ever so close, I'm invisible
Waiting for the light

Waiting for the light
Waiting for the light

Waiting for the light
Waiting for the light
The light
For the light
For the light
(The light)
The lie light
(The light)
For the light
Waiting for the light
(The light)
The light
