Verse One:

She's my sunshine in the rain
My Tylenol when I'm in pain yeah
Let me tell you what she means to me
Like a tall glass of lemonade
When it's burnin' hot on summer days
She's exactly what I need

Chorus:

She's soothing like the ocean rushing on the sand
And she takes care of me
And she helps me be a better man
She's so beautiful, sometimes I stop to close my eyes
She's exactly what I need

Verse Two:

She's my smile when I'm feelin' blue
she's My midnight sleep when the day is through
Let me tell you what she means to me
(It's kinda like this)
Kinda like the feelin' after your first kiss
Except that everyday she makes me feel like this
She's exactly what I need

Chorus:

She's soothing like the ocean rushing on the sand
She takes care of me
and she helps me be a better man
She's so beautiful, sometimes I stop to close my eyes
She's exactly what I need

(You're more than i need,
and less than what i dont need
baby)

She's soothing like the ocean rushing on the sand
She takes care of me
and she helps me be a better man
She's so beautiful, sometimes I stop to close my eyes
She's exactly what I need [x2]
