All these broken dreams
Have made me see
That I'm strung out, somebody rescue me
Well, do I have to tell you that I love you
Do I have to tell you that I care
Do I have to tell you that I need you to be there
'Cos in the middle of the night
When I'm much too weak to fight
You know you're such a welcome sight
In the middle of the night
Yeah
On the boulevard of broken dreams
Yeah I talk so bad and I act so mean
On the boulevard of broken dreams
I gotta get back on my feet
And was it only yesterday
You came my way
Or was it just a while ago
And do I have to tell you you're my lover
Do I have to tell you I'm your slave
And so we have to dance until you're dancing

On my grave

And my lips are turning white

And my jaw is getting tight

And the sun is burning bright

In the middle of the night

Yeah

On the boulevard of broken dreams

She'll eat your heart and she'll eat your face

On the boulevard of broken dreams

And I gotta get back on my feet

Do I have to tell you that I need you

Do I have to show you that I care

Do I have to lie and steal to have you

Do I have to sell myself somewhere

Then we can dance all night together

You'll be my queen I'll be your slave

And we can stay awake forever

Until we're dancing on my grave

On the boulevard of broken dreams...

Boulevard of broken dreams
