I'm not sorry 'bout the things that I've done to you

I'm not sorry, I never felt this good

All I wanted was to get to you

And hurt you for a while

I'm a trespasser in your company

Looks like it's me who fill your thoughts and your diary

Just as fast as my moment comes

I'll turn out to be a memory

The day I came was the day I left

Now you're just like all the rest

I only take I take the best

Like you used to be, now you're left in lunacy

I'm just a visitor, visitor, visitor, visitor...

I'm not sorry 'bout the things that I've done to you

I'm not sorry, I never felt this good

All I wanted was to get to you

And hurt you for a while

My romance, you're in a trance

I'll destroy all of your plans

Just as fast as my moment comes

I'll turn out to be a memory

The day I came was the day I left

Now you're just like all the rest

I only take I take the best

Like you used to be, now you're left in lunacy

I'm just a visitor, visitor, visitor, visitor
