Here's a little song I wrote  
you might wanna sing it note for note  
so don't worry, be happy  
In every life we have some trouble  
when you worry you make it double  
don't worry, be happy

Ain't got no place to lay your head  
somebody came and took you bed  
but don't worry, be happy  
The landlord say your rent is late  
he may have to let it get  
so don't worry, be happy

Here's a little song I wrote  
you might wanna sing it note for note  
so don't worry, be happy  
In every life we have some trouble  
when you worry you make it double  
don't worry, be happy
