The decisions they make  
decisions of greed  
decisions of hate  
it's all behind a smokescreen  
Corruption has spread  
the streets will turn red  
it's an eye for an eye  
so now you'll have to die

Murdering your people with ease  
blood will flow until you cease  
can you feel the corrupted breeze  
it's from the corpses in the land of peace

The crystal contracts  
have been signed with grease  
by the united reapers  
in the land of peace  
The land of corpses  
the land of ease  
the land of horrifying  
tricks and treats

Murdering your people with ease  
blood will flow until you cease  
can you feel the corrupted breeze  
it's from the corpses in the land of peace

We have opened our eyes  
we have seen through their lies  
we will pick up the fight  
and we will fight for our rights

Murdering your people with ease  
blood will flow until you cease  
can you feel the corrupted breeze  
it's from the corpses in the land of peace

The constitution has  
been ripped and sliced  
by the execution of

the human rights  
The coagulation  
of the human breed  
will be the dreadful nation  
of the bloodlust screams

Murdering your people with ease  
blood will flow until you cease  
can you feel the corrupted breeze  
it's from the corpses in the land of peace
