Midnight, gettin uptight-  
where are you?  
You said you'd meet me, now it's quarter to 2.  
I know I'm hangin but I'm still wantin you-  
Hey, Jack- it's a fact they're talkin in town-  
I turn my back and you're messin around.  
I'm not really jealous- just dont like lookin like a clown.

I think of you every night and day-  
you took my heart and you took my pride away.

[refrain:]  
I hate myself for 'lovin you,  
Can't break free from the things that you do.  
I wanna walk but I run back to you-  
thats why I hate myself for lovin you.

Daylight spent the night without you  
But I've been dreamin' 'bout the lovin' you do  
I won't be as angry 'bout the hell you put me through

Hey man bet you can treat me right  
You just don't know what you was missin' last night  
I wanna see your face and say forget it just from spite

[refrain]  
[refrain]

I think of you every night and day,  
you took my heart and you took my pride away-

[refrain]
