(Narrator:) I would like, If I may, take you on a strange journey. It seemed a fairly ordinary night when Brad Majors and his fiancée Janet Weiss, two young ordinary healthy kids left Denton that late November evening to visit a Dr. Everett Scott, ex-tutor and now friend of both of them. It's true there were dark storm clouds. Heavy, black and pendulous; toward which they were driving. It's true also that their spare tyre they were carrying was badly in need of some air. But they being normal kids and on a night out. Well they weren't going to let a storm spoil the events of their evening. On a night out. It was a night out they were going to remember for a very long time.

(Janet:) In the velvet darkness of the blackness night
Burning bright
There's a guiding star
No matter what or who you are

(Brad & Janet:) There's a light
Over at the Frankenstein Place
There's a light
Burning in the fireplace
There's a light, light
In the darkness of everybody's life

(Riff Raff:) The darkness must flow down the river of night's dreaming
Flow morphia slow let the sun and light come streaming
Into my life
Into my life

(Brad & Janet:) There's a light
Over at the Frankenstein Place

There's a light
Burning in the fireplace
There's a light, light
In the darkness of everybody's life
