Every night before
I go to sleep
I find a ticket
And I win a lottery

I scoop them pearls up
From the sea
I cash them in and buy you
All the things you need

Every night before
I rest my head
See them dollar bills
Go swirling 'round my bed

I know they're stolen
But I don't feel bad
I take that money, buy you
Things you never had

Oh baby
It would mean so much to me
Oh baby
Buy you all the things you need for free

Buy you a jet-plane
Take you to the stratosphere
I'll buy you a jet-plane
So we can check out all that's there

Where it's hot, hot and ready and baby
And cool, cold, you can feel the snow
It's a long way, a long way
Got a long way left to go

When we're dreaming
When we're dreaming

Every night before
I go to sleep
I find a ticket
And I win the lottery

Every night before
I rest my head
See them dollar bills
Go swirling 'round my bed

Oh baby
It would mean so much to me
Oh baby
Buy you all the things you need for free

When we're dreaming
When we're dreaming

When we're dreaming
Free money, free money
When we're dreaming
Free money, free money
