In this town  
The blood will make you rich  
Yeah, in this town  
The blood will make you rich

In this town  
I will do you one better  
I'll change the truth  
When I change the weather

In this town  
The blood will make you rich

And when you're down  
You can buy the Jesus pose  
'Cause in this town  
All roads lead to this

And when you're down  
I will kill it again  
I'll give ya something  
To forget about him

In this town  
All roads lead to this

And come tonight, yeah come tonight  
We'll take a ride  
And come tonight, yeah come tonight  
We'll see the lights

You will lead and I will follow  
You will lead me, down to the hollow  
You will lead me down  
Grand theft auto  
You will lead me down

In this town  
We have got the Midas touch  
Yeah in this town  
The gold will make you blush  
Some of it's cooling

And some of it's glitters  
All of it's cold  
And it gives me the shivers

In this town we've got the Midas touch

And come tonight, yeah come tonight  
We'll take a ride  
And come tonight, yeah come tonight  
We'll see the lights

You will lead and I will follow  
You will lead me, down to the hollow  
You will lead me down  
Grand theft auto  
You will lead me down
