If I could loose  
If you could choose  
For this next dance you might choose me  
I ain't no pussy with the blues  
Just step out on the floor and see

Can't follow a man from Reno  
Follow a man from Zurich  
Follow a man from Italy  
Can't follow a man with brain grass  
Follow his long long eye gas  
Follow a man from Munich

Running out of luck  
Running out of luck  
In the midnight

Zodiac killers drain their hands and wipe away  
The shadows from the walls  
Neighbours all say he's got no friends  
His friends all say you got him by the balls

Look up you might even shred the stars  
Look up might even stop the scars

Zodiac killer needs that crack he wants you back  
He's waiting in the bars  
Zodiac killer needs that crack he wants you back  
He's waiting in the bars

Can't follow a man from Reno  
Follow a man from Izmir  
Follow a man from Wyoming  
Follow this waving heather  
Follow the angry weather  
A man from Sarajevo

Running out of luck  
Running out of luck  
In the midnight

Zodiac killer drains his hands and wipes away

The shadows from the walls  
Look up you might even shred the stars  
Look up might even stop the scars  
Zodiac killer needs that crack he wants you back  
He's waiting in the bars

In the midnight  
Waiting in the bars
