Knock yourself

And knock again
Knock yourself
Roll it all into your hand
And knock again
And let it spin
Roll it all into your hand

And let it spin
There's a wind blowin' hell

From the bottom of the well
There's a wind blowin' hell

From the bottom of the well
Let it fall

Below the belt
Let it fall
Calm, cool and collected
Below the belt
Who could have known
Calm, cool and collected
Just how it felt
Who could have known

Just how it felt
There's a wind blowin' hell

From the bottom of the well
There's a wind blowin' hell

From the bottom of the well
Anytime at all

Anytime at all
Anytime at all
Anytime at all
