even the mightiest rivers will bend  
before they vanish, in the sand  
even the tallest of timbers will fall  
easy to fall, ain't easy to land  
well that's a curse of mine  
seems everything I find  
keeps fallin' till it cannot fall  
well that's a curse of mine  
in the best of times  
keep fallin' till I cannot fall  
That's when fortune smiled on you  
I'd say fortune smiled  
when you went runnin'  
away from these arms  
the first will be last and the  
last will be drunk  
goes down, easy, easy come  
well that's a curse of mine  
never look behind  
don't look into the swath I cut  
well that's a curse of mine  
never look behind  
deep into the swath I cut  
That's when fortune smiled on you  
I'd say fortune smiled  
when you went runnin'  
away from these arms  
these are the last things,  
the things that will last  
the knife in my tears, the  
jail of my fears  
well that's a curse of mineX3  
wicked and divine  
shoulda' never tried to love me  
That's when fortune smiled on you  
I'd say fortune smiled  
when you went runnin'  
away from these arms  
when you went runnin'  
away from these arms  
hmmmmm ... when you went runnin'
