I don't think you were clear enough with me girl  
I know we've had a couple drinks but you're here still  
Looking for something more maybe a cocktail  
I'm a hit man you can be my hit girl

I did, I did what, I did what you wanted  
And you know that I never miss  
I did, I did what, I did what you wanted  
And you know that you got it  
You say that you wanted to play  
But we have a different meaning for the same damn  
thing  
I did, I did what, I did what you wanted  
And I never miss

We've gone way past the point of no return  
If you said stop I couldn't hear your speech is too  
slurred  
I hope you know I like the way your back curls  
It's the eighth wonder of the whole world  
I'm your hit man you can be my hit girl

I did, I did what, I did what you wanted  
And you know that I never miss  
I did, I did what, I did what you wanted  
And you know that you got it  
You say that you wanted to play  
But we have a different meaning for the same damn  
thing  
I did, I did what, I did what you wanted  
And I never miss

I'm too accurate  
Take your clothes with you lit cigarette  
I'm your hit man you can be my hit girl  
Most wanted list  
Number one with a kiss  
I did, I did what, I did what you wanted  
And you know that I never miss  
I did, I did what, I did what you wanted  
And you know that you got it  
You say that you wanted to play

But we have a different meaning for the same damn  
thing  
I did, I did what, I did what you wanted  
And I never miss
