I wish I was without feeling
Then everything would be
Easier repeating

Its like we're stuck on a re-run
Where everything we do
We've already been through

Are we still going no where
(going no where)
Cause I feel like getting off this ride

Maybe I'm not crazy
Maybe something's breakin'
Cause it isn't working our for us
X2

Do you think you're the only
Broken Hearted fool
With a wall that no one can get through
Pieces of old tattered clothing
Do I still fit on you
Cause I feel like I do

Are we still going no where
(going no where)
Cause I feel like getting off this ride

Maybe I'm not crazy
Maybe something's breakin'
Cause it isn't working our for us
X2

Are we still going no where
(going no where)
Cause I feel like getting off this ride

Maybe I'm not crazy
Maybe something's breakin'
Cause it isn't working our for us
X2

Maybe I'm not crazy
X4
