Take it off my hands & you can do it for me
Don't care about the system it means nothing to me
Too afraid to say but you can see right through me
You don't wanna speak up but I know you say I'm lazy.

HOOK

You've got it in your head you think you've me all out
Cause I'm the lazy joke that you've been hearing about

CHORUS

Shut up, I know I'm lazy
& you aint got the balls to cross me
I'm sittin on this cold damp wet street,
Cause you aint got the heart to help me.

V2

So many nights on the bottom dead beat
So many nights eyes open where I can't sleep
You say you understand but you don't even know me
You don't know a thing but still you say I'm lazy

HOOK

You got it in your head you think you've worked me all
me all out
Cause I'm the broken joke that you've been hearing
about.
