He's killed before  
He'll kill again  
One discretion  
Indirect  
The one place I control, in my head  
The place where fear has no effect  
Close my eyes & count to ten  
Ready or not here I come again  
Nobody shares equality  
Justified hostility

Fix our inequality  
Everybody's got it in for me  
Individuality  
A ticket to insanity

Everybody wants to come & see Idiocy  
People forget their problems just by looking at me  
Take another look, hypocritical  
Take another look, Unmistakeable  
Close my eyes & count to ten  
Ready or not here I come again  
Nobody shares equality  
Justified hostility

Fix our inequality  
Everybody's got it in for me  
Individuality  
A ticket to insanity

### BRIDGE

Why does everybody wanna be my enemy  
Indispensable taken to infinity  
Impure & out of focus  
Keep your friends close but your enemies closer  
Pushed aside, from inside  
Pushed outside to the back of my mind  
Waiting for something to capsize  
You left me with nothing but I'll improvise
