Song By TALAT MEHMOOD

hain sabase madhur wo geet jinhen, ham dard ke sur
men gaate hain,
ham dard ke sur men gaate hain;
jab had se guzar jaati hai khushi, aansoo bhi chhalak te
aate hain,
aansoo bhi chhalak te aate hain;
hain sab se madhur wo geet

(pahaloo men paraaye dard basa ke, hasana hasaana
sikh zara,
tu hasana hasaana sikh zara)- 2
toofaan se kah de ghir ke uthe, ham pyaar ke deep
jalaate hain,
ham pyaar ke deep jalaate hain;
hain sab se madhur wo geet

(kaanton men khile hain phool hamaare, rang bhare
aramaanon ke,
rang bhare aramaanon ke)- 2
naadaan hain jo in kaanton se, daaman ko bachaaye
jaate hain,
daaman ko bachaaye jaate hain;
hain sab se madhur wo geet

(jab gham ka andhera ghir aaye, samajho ke savera
doornahin,
samajho ke savera door nahin)- 2
har raat ka hai paigham yahi, taare bhi yehi doharaate
hain,
taare bhi yehi doharaate hain
hain sab se madhur wo geet
