If it's the rough stuff ya want  
You can point yer finger at me  
'Cause I can dish it out good  
But I don't give it away for free  
There's a price for my vice  
And I want it in cash  
In a plain brown bag  
You can put it out by the trash  
Chorus:  
There'll be a red light by the window  
And a blue light by the car  
He'll be running  
But he won't get far  
There'll be a red light by the window  
And a blue light by the car  
He'll be running  
But he won't get far  
This modern world deserves a  
Modern attitude  
You've gotta stick it to them  
Before they stick it to you  
I want the money  
And I want it in cash  
In a plain brown bag  
You can put it out, put it out, put it out by the trash  
Chorus repeat  
Red light  
Blue light  
Red light  
Blue light  
This modern world deserves a modern attitude
