I caught a plane going out to Cuba.  
We got hijacked up in the sky.  
I fell in love with a rebel leader

She dropped me off somewhere in Paraguay.  
How  
how  
how if you could see me now

This mad  
mad love pulls me to pieces.  
Boom  
boom  
boom - I'm wired to the moon

This mad  
mad love of mine increases.

Went overland with a desert chieffan

We rode that caravan for days.  
His number one wife started peeping  
Behind that veil I fell in love again.  
How  
how  
how if you could see me now

...  
This mad  
mad love confuses the senses

Hear flashing lights see ringing bells.  
Start climbing walls and jumping fences

And I'm totally under its spell.

How  
how  
how if you could see me now  
...  
How  
how

how  
how  
how if you could see me now  
...  
How  
how  
how if you could see me now  
...
