Love Is All

Everybody's got to live together

All the people got to understand

So, love your neighbour

Like you love your brother

Come on and join the band

Well, all you need is love and understanding

Ring the bell and let the people know

We're so happy and we're celebratin'

Come on and let your feelings show

Love is all, well love is all,

Love is all, can't you hear the call

Oh, love is all you need

Love is all you need at the Butterfly Ball

Ain't you happy that we're all together

At the ball in nature's countryside

And although we're wearing different faces

Nobody wants to hide

Love is all and all is love and

It's easy, yes it's so easy

At the Butterfly Ball where love is all

And it's so easy
All you need is love and understanding
Hey, ring the bell and let the people know
We're so happy and we're celebratin'
Let your feelings show
Love is all, yes love is all at the Butterfly Ball
Love is big, love is small
Love is free, love is all
At the Butterfly Ball
When you back's to the wall
When you're starting to fall
You got something to lean on
Love is everything
It can make you sing at the Butterfly Ball
Love is all, I say love is all, yes love is all
At the Butterfly Ball
