Do you forgive me?  
You never lost your sight  
So scream your heart out  
To be damned one more TIME

This tragic, need for hope  
Won't give up  
It's what, keeps us alive  
Now who will survive  
In this game of chance  
Now hold out your hand  
And give me  
This final kiss

If I load this gun, would you hold in your heart and give  
your life for love?

So bleed (SO BLEED)  
This hate (THIS HATE)  
With me  
And fight these broken dreams

If I load this gun, would you give your life for love?

So bleed (SO BLEED)  
This hate (THIS HATE)  
With me  
And fight these broken dreams!

This is more than hopeless romantics  
I will never let it die  
I walk the line  
And your daybreak eyes  
The whispers,  
And the brand new scars  
The brand new scars

Do you forgive me?  
We will never let this die  
We scream our hearts out  
To be damned one more TIME

If I load this gun, could you hold it to your heart and  
give your life, your love?

So bleed,  
This hate  
With me  
And fight these broken dreams

So bleed  
This hate  
And fight these broken dreams

If I load this gun will you hold it to your heart and give  
your life for love?

So bleed (SO BLEED)  
This hate (THIS HATE)  
With me  
And fight these broken dreams  
And fight these broken dreams

And fight  
FIGHT  
FIGHT  
FIGHT  
FIGHT

These broken dreams
