colourful flowers come,  
come with your open heart,  
to see you are full of love,  
you bring me back when i am done.  
and all of the kings and queens,  
don't see where my troubles lie,  
your fondness a turning key,  
into the ray of light  
and on the days of raining,  
i can hear you singing.

cause what goes back up,  
it's never gonna end,  
the cycle spins,  
you are just so real,  
yeah i hope you never turn to fake on me,  
yeah i wish you never do,  
yeah i wish you never do now.

somewhere deep inside,  
your love just sits in me,  
release the times of colour,  
you know i want to be  
don't you know i see when i sleep,  
and on the days of raining,  
i can hear you singing.

cause what goes back up,  
it's never gonna end,  
the cycle spins,  
you are just so real,  
yeah i hope you never turn to fake on me,  
yeah i wish you never do,  
yeah i wish you never do now.

oooO000Oooo  
ooooO00000Ooooo

what goes back up,  
it's never gonna end,  
the cycle spins,

you are just so real,  
yeah i hope you never turn to fake on me,  
yeah i wish you never do,  
yeah i wish you never do now.

yeah i wish you never do.  
yeah i wish you never do.
