Oooooooooohh.....

Every tyme I think about you
the emotions drives me wild
every time I'm dreaming of you
there's feelings I can't hide
you pick me up until I'm drunk
what I'm a gonna do?

My heart's on fire
with desire
and it's burning for you

Burning like a flame
my heart's on fire
got me burning
my heart's on fire
fill me up
my heart's on fire
It's burning for you

Must be a potion of love emotion
that keeps me coming back
whenever I look into your eyes
I see through your disguise then
I get a love attack
I follow through all emotion
no way I feel the same

My heart's on fire
with desire
and it's burning for you

Burning like a flame
my heart's on fire
got me burning
my heart's on fire
fill me up
my heart's on fire
and It's burning baby, for you

Heart's on fire

heart's on fire
heart's on fire

Burning like a flame
my heart's on fire
got me burning
my heart's on fire
fill me up
my heart's on fire
It's burning for you

Burning like a flame
my heart's on fire
got me burning
got me burning
got me burning
got me burning
I'm burning, I'm burning,
I'm burning, I'm burning,
I'm burning, I'm burning,
I'm burning for you...
heart's on fire
I'm burning for you
heart's on fire
I'm burning for youuuu...
heart's on fire...
