(Chorus)

First you meet a girl  
In your mind you want to mash  
Second date escape  
Sippin cocktails passin' grass  
Movies at the crib  
On the couch grabbin' ass  
Later in the bedroom  
Daddy's angels talkin' trash  
X Rated

Beware of the Rising Tide  
Lunar month July  
Beneath the crescent moon  
We met early in June  
She became confused  
With a poets dialect  
His native tongue for words  
She swoons  
Center of attraction  
Sun directly above  
It must be high noon  
My scientific vocab  
Mind ability to write  
About her ladylike ways  
Making seven stars shine bright  
Observe Junior Knight's hand  
My right  
Stunning vertebrates  
With a poet's might  
(Chorus)

(2nd Chorus)

Hardcore

Mic eclipse the sun  
My stun gun shock poem  
Second come  
Sparked one that cancer stick  
Menthol cigarette  
Bust two nuts then jet  
Misdemeanor mic check

Northern Lights got my head lit  
If it's wet hit it correct  
Superstar Shell Toes  
Fuck hoes  
Wally Sparks knows  
What the God's keep on the  
down low  
I'm gonna sell out shows  
I'm a 19th century trilogy  
I dissect biology  
7th sign prodigy  
I tear gas May Day

(Chorus)  
(2nd Chorus)
