Darts from afar duck  
Too late your star struck  
Tar stuck  
She's not another bar fuck  
Different kitten for this mutt  
Funny feelin' in my gut  
Other witches out of luck  
We're headed to the hut  
House of Seven Gables  
Tilted white Kangol  
At an angle  
My smooth form  
Angels horns  
Begin to play porn  
So warm, silent storms  
Sweat pours, wet floors  
Pet wars  
Get mine get yours  
Explore, each other  
Undercover smother  
Together forever pullin'  
My lever  
Send inner thigh tremors  
Better now than never  
Take a break stop  
Name swap, smoke pot  
Drink beers nonstop  
Wake up in the morn  
Trade digits, it's on  
Sing the same ol' song  
So long, the fawns gone  
Loves spawned this dawn

(Chorus)

Lips sealed shut  
Nervous tingles  
Shatter your spine  
I'm paraplegic  
She's blowing Kiss Darts  
So kind, so fine  
Originality, our style  
So Fly

Blessed  
Let my talents out  
Our styles balance out  
Halfway meeting  
She said  
If I catch you cheating  
You'll catch a beating  
You'll catch me singing  
On key completing  
Half a decade in the book  
Something catchy like this hook  
That's where angles meet  
Four five degree  
Mirrors surround me  
Contact reflection, affection  
Shoved off depression  
So deep, I take my pen at hand  
And spill ink, set forth  
Upon sweet lips  
Angel grips, grasp horns  
Poet slips, patch his heart  
Torn then reborn  
Horns begin to play  
Captivate minds  
Escaped down a street one way  
Observe aspect  
Effect, below decks  
Neck still reads seven  
Reflects  
Love and sex  
Catch a dart Lex Lou with Beck's  
It's you I text  
My love  
What's next?

(Chorus)
