I love to live the Simple Life
With my kids and wife
What a man to do with rhymes
Sharp as Freddy Krueger's knives
I put my faith in Christ
Give me strength to roll the dice
Grass isn't always greener
On the other side of the fence
Struggles to make cents
Don't make sense
Gotta be a better way to support
Build a boat leave the port
Build our fort, report to our resort
Lounging with my kids
I've played a million gigs
Leave a legacy
And a name when I pass the cash
Hope that the Wallace name will last
Do what you do
With your one life to live
Avoid hurting the ones you love
A lot of love to give
Be honest and kind and forgive
Handle your biz, karma exists
Ease down the road with The Wiz.

(Chorus)

I love to live the Simple Life

I love to live the Simple Life
With my kids and wife
What a man to do with rhymes
Sharp as Jason Voorhees' knives
A second chance arrives
Intolerance signed the Knight
To take a second flight
Lightning strikes fly a kite
Catch me at the NAAFS shows
I'm a Floor Director
Jager sippin with Hex and Jess
The Glove Inspector
I love the money tree

Honey bees love nectar
Protector of the Death Star
With my Shield Deflector
Rising water
Hop on this boat it's chartered
Or be slaughtered by Drew
In The Firestarter
She Brings Flames
Steven King James
Saturn's rings aims
For the crowds acclaim
Scream my name, dream the fame
I make tracks
For you not for the green backs
Thomas from Flannel
Hits you with the mean axe

(Chorus)
