(Chorus)

Who's that boy  
From the Ak ron?  
Wally Boy Wonder  
Who's that boy  
From the Ak ron?  
Wally Boy Wonder  
Who's that boy  
In the Thanatron?  
Wally Boy Wonder  
Who's that boy with  
The microphone on?  
Wally Boy Wonder

How I deal with these things  
How I feel with these wings  
How I feel when bees sting  
All around these birds sing

Welcome to the Death Machine  
Wonder how my sneakers stay clean  
Dueling on these dusty roads  
You catch the mic as it explodes  
Your image wrecked into debris  
Still hate cause a label signed me  
Style fresh Intolerance  
Hitchcock suspense  
Carpenter's sick sense  
The Thing Escaped L.A.  
Man it knew too much they say  
Jimmy Stewart Doris Day  
Big trouble in the A. K.  
Boy went missing lead astray  
Jealous cats try to assassinate  
That boy with the Kangol  
Seven on his neck  
Started his career with two tape decks

(Chorus)

The tide is rising quick  
Wanna ride on this battleship?

Man the wheel I'll take the deck gun  
53 cal Mark Seven better get one  
Torpedoes foes give chase  
Water world boy as bombs give bass  
Teddy bear super toy from the O.H.  
And I taking over deep space  
Tilde we kill prey  
It's the 13th of Friday  
Get Cake  
Remake by Mike Bay  
Psycho remix  
With Norm Bates
