Look at me  
Tell me what you see  
I can't believe  
What you do to me  
And I won't stay  
If you're goin your own way  
But if you leave  
Oh please don't leave me

Cause every now and then I cry  
Now wonder why you  
You're leavin me here so all alone  
And every now and then I pray  
Now wanna say  
That I can't believe it when your gone babe

Take me there  
Take me anywhere  
Cause in your eye  
I see the love I need  
Taste my lips  
No need to be afraid  
Take my hand  
And please believe

Cause every now and then I cry  
Now wonder why you  
You're leavin me here so all alone  
And every now and then I pray  
Now wanna say  
That I can't believe it when your gone babe
