I'm like an island,

i'm like a lost soul;

cut off from the rest of the world.

Walking the same corridors,

stalking the same cold shining floors;

in search of the place i will stay.

I'm like an island,

i'm like a lost soul;

cut off from the rest of the world.....

island of lost souls.

island of lost souls.

island of lost souls.

island of lost souls.

Placed on the same staircases,

faced with the same choice of steps

and paces;

in search of the place i will stay;

island of lost souls.
