Music by Hatakka-Yli-Sirnio-Waltari
I ask you to follow me inside,
I have so much power to give to you
there's a space inside me for you babe,
you'll never know what happens
when I'm open to you
I want you to follow me inside
you'll never know what happens
when there's nothing to do
but you are afraid
you think twice - too much
I wink my eyes and smile,
that's what I'm offering to you
You ask me to follow you outside,
you'll never know what happens
when there's some game to play
You say: "please, please, kiss me quick it doesn't make
you
a man if you just sit and wait"
You beg: "jump into bed, come on fill the empty
spaces"
(o.k.) alright, party around!
There is nothing really special for us too soon
You see my dark side, coming closer
to me but love is brightness
I see no fear when you are near me
Tonight...
I know what I'm feeling
I'm feeling inside
Tonight...
I know what I'm feeling,
I'm feeling inside!
I ask you to follow me inside,
I have so much power to give to you
there's a space inside me to share,
you'll never know what happens
when I'm open to you
You beg: "jump into bed, come on fill the empty
spaces"
(o.k.) alright, party around!
I say farewell, there's nothing to do
You see my dark side, coming closer

to me but love is brightness
I see no fear when you are near me
Tonite...
I know what I'm feeling
I'm feeling inside
Toninte...
I know what I'm feeling,
I'm feeling inside!
