The other side of time (is coming!)  
Yes, I feel so fine  
I feel real in my head  
Oh, I feel so fine  
We wanna feel so fine!  
FINE!

The other side of time (how far is good!?)  
Oh I feel so fine  
I feel heat in my head  
My feet are flying  
We wanna feel so fine!

Yes, I feel so fine  
I feel real in my head  
Oh, I feel so fine  
We wanna feel so fine!

Yes, I feel so fine  
I feel space in my head  
Move your body beat  
We wanna feel so fine!  
We wanna feel so fine!
