The other side of time (is coming!)
Yes, I feel so fine
I feel real in my head
Oh, I feel so fine
We wanna feel so fine!
FINE!

The other side of time (how far is good!?)
Oh I feel so fine
I feel heat in my head
My feet are flying
We wanna feel so fine!

Yes, I feel so fine
I feel real in my head
Oh, I feel so fine
We wanna feel so fine!

Yes, I feel so fine
I feel space in my head
Move your body beat
We wanna feel so fine!
We wanna feel so fine!
