We're part of the magical movie we're walkin' in
the neon (trancevision)

We believe there's power to do it we are hungry for
the real life

We're part of the magical movie we're walkin' in
the neon (trancevision)

We believe there's power to do it we are hungry for
the real life

C'mon it's final change... do it do it... uh uh uh uh
everybody walkin' in the neon... hey hey hey hey

Stay strong you're never alone leave the bad behind
concentrate on what's important

Go wrong take the illusions of society and wrap
yourself in the darkness of your luxury

open the doors accept what you feel
open the doors accept what you feel
open the doors accept what you feel
Everyboy, like a homeless toy

open the doors accept what you feel
open the doors accept what you feel
open the.. open the.. open the.. open the.. open the
doors for you

We're part of the magical movie we're walkin' in
the neon (trancevision)

We believe there's power to do it we are hungry for
the real life

We're part of the magical movie we're walkin' in
the neon (trancevision)

We believe there's power to do it we are hungry for
the real life

hey hey hey hey

we're walkin' in the neon (trancevision)... do it
we're walkin' in the neon (trancevision)... accept
what you feel

hey hey hey hey hey hey hey hey hey hey...

We're walkin' in the neon
hey hey hey hey hey hey hey hey hey...

one for the new life

Wake up you're on your way to the wrong side you lose
yourself to the media corrosion
Loosen up don't believe what you hear take a piece of
your own life sow the seeds of reality

Everyboy, like a homeless toy, serches for the real joy
but soon they'll see how it will be, sorroundings kills,
life turns to pills

Everyboy, like a homeless toy, serches for the real joy
but soon they'll see how it will be, sorroundings kills,
life turns to pills

We're part of the magical movie we're walkin' in
the neon (trancevision)
We believe there's power to do it we are hungry for
the real life

We're part of the magical movie we're walkin' in
the neon (trancevision)
We believe there's power to do it we are hungry for
the real life
hey hey hey hey

this is the change... do it do it... uh uh uh uh
everybody walkin' in the neon
hey hey hey hey

We're part of the magical movie we're walkin' in
the neon (trancevision)
We believe there's power to do it we are hungry for
the real life

the neon (trancevision)

the real life

the neon (trancevision)

We believe there's power to do it we are hungry for

the real life

We're part of the magical movie we're walkin' in
the neon (trancevision)

the real life
hey hey hey hey hey hey hey hey hey
