The dogs at dawn barking  
of hunger, no sharking  
searching for something  
intention: no running.

If you ever feel lonely - sing  
and life is gettin phoney - sing  
it is your voice only - sing  
that cares so boldly - sing.

Pressure, not wanting  
soul is in hunting  
life towards Shanti  
aliens shouting.

If you ever feel lonely - sing  
and life is gettin phoney - sing  
it is your voice only - sing  
that will ring out so loud.

Giving it up coz the life is a lie... (one way to hell!)  
Wish I could feel you, wish I could save from farewell.  
Running around coz the the life is a lie... (swords of the  
spell)  
Wish I could heal you... Wish I could heal!

Pressure, not wanting  
soul is in hunting  
life towards Shanti  
aliens shouting.

If you ever feel lonely - sing  
and life is gettin phoney - sing  
it is your voice only - sing  
You'll wake the dead, sounding bright.

CHORUS

I don't care if you paint my Jesus in a funny way  
cause in fact I think in a same way.  
Can you apologize? Or would it be bad for your

buissiness?

Can you apologize? Or are you too broud to beg? Coz I  
ain't.

If you ever feel lonely - sing  
and life is gettin phoney - sing  
it is your voice only - sing  
that will ring out so loud.
