"You Know Better"

I love the sound of dignity
I love to stand on my own two feet
I keep on watching the big sunset
You'd like to talk to me, but I won't let you, I bet
I know I love you - I know I hate you
I know I love you - I know I hate you (now)
I prefer to get cold in a hard rain
than to give anybody a chance to share my pain
I wanna feel the limits in my head
I wanna keep on sitting in the electric chair
I know I love you - I know I hate you
That's why I put my faith in you
You know better what you are!
I know I love you - I know I hate you...
I love the sound of dignity
I love to stand on my own two feet
Sometimes I'd like to change my way to go
to give my my confession and feel my flow
I know I love you
I know I hate you
That's why I leave it up to you
coz you know better what you are!
