Words by Ned Washington

Music by Leigh Harline

The grass is always greener
in the other fellow's yard.

No matter what your life might be
you think your life is hard.

If we could pick and choose
and nature wasn't a factor
here's a bit of news:

I'd pick the life of an actor.

Hi-diddle-dee-dee,

an actors life for me,

a high slik hat and a silver cane,

a watch of gold with a diamond chain.

Hi-diddle-dee-doo,

you'll sleep till after two.

You prominade with a big cogar,
you tour the world in a private car,
you dine on chicken and caviar,
an actor's life for me.

Hi-diddle-dee-dee,

an actors life for me,
a high slik hat and a silver cane,
a watch of gold with a diamond chain.
Hi-diddle-dee-doo,
you'll sleep till after two.
You prominade with a big cogar,
you tour the world in a private car,
you dine on chicken and caviar,
an actor's life for me.
