Now im the king of the swingasore  
the jungle VIP  
i reached to top  
and had to stop and that's what's bothering me.  
i wanna be a man, man cub  
and stroll right into town  
and be just like the other men  
i'm tired of mokeying around  
oh shoobedoo  
i wanna be like you  
i wanna walk like you  
talk like you too  
you'll see it true  
an ape like me  
can learn to be human too.

now here is your part of the deal 'cause  
give me the secret of man's real fire  
but i don't know how to make fire!

now don't try to keep me man cub  
i made a deal with you  
what i desire is man's real fire  
to make my dream come true  
now give me the secret man cub  
come on clue me what to do.  
give me the power man's red flower  
so i can be like you.

and for the bear necessities  
the simple bear necessities  
forget about your worries and your strife  
i mean the bear necessities  
all mother nature's recipes  
that brings the bear necessities of life  
where ever i wonder where ever i roam  
i couldn't be found in my big home  
the bees are buzzing in the trees  
they make some honey just for me  
when you look under the rocks and plants  
and take a glance at the fancy ants

and maybe try a few  
the bear necessities of life will come for you  
they'll come for you

and for the bear necessities  
the simple bear necessities  
forget about your worries and your strife  
i mean the bear necessities  
that's why a bear can rest at ease  
with just the bear necessities of life

you  
i wanna be like you  
i wanna walk like you talk like you too  
you'll see it too  
someone like me  
can learn to be like someone like me  
can learn to be like some like you  
(one more time!)  
YEAH!  
can learn to be like someone like ME!!!!!!
