You're the kind of person you meet at certain dismal,  
dull affairs  
Center of a crowd, talking much too loud, running up  
and down the stairs  
Well, it seems to me that you have seen too much in  
too few years  
And though you've tried you just can't hide your eyes  
are edged with tears

You better stop, look around  
Here it comes, here it comes, here it comes, here it  
comes  
Here comes your nineteenth nervous breakdown

When you were a child you were a treated kind  
But you were never brought up right  
You were always spoiled with a thousand toys but still  
you cried all night  
Your mother who neglected you owes a million dollars  
tax  
And your father's still perfecting ways of making  
ceiling wax

You better stop, look around  
Here it comes, here it comes, here it comes, here it  
comes  
Here comes your nineteenth nervous breakdown  
Oh, who's to blame, that girl's just insane  
Well, nothing I do don't seem to work  
It only seems to make the matters worse. Oh, please

You were still in school when you had that fool who  
really messed your mind  
And after that you turned your back on treating people  
kind  
On our first trip I tried so hard to rearrange your mind  
But after a while I realized you were disarranging mine

You better stop, look around  
Here it comes, here it comes, here it comes, here it  
comes

Here comes your nineteenth nervous breakdown  
Oh, who's to blame, that girl's just insane  
Well, nothing I do don't seem to work  
It only seems to make the matters worse. Oh, please

When you were a child you were treated kind  
But you were never brought up right  
You were always spoiled with a thousand toys but still  
you cried all night  
Your mother who neglected you owes a million dollars  
tax  
And you father's still perfecting ways of making ceiling  
wax

You better stop, look around  
Here it comes, here comes your nineteenth nervous  
breakdown
