"All Sold Out"

Why put this sadness inside of me
why be so matter-of-fact
why put this one bit of hope in me
you sold me out and that's that

I hope that you're having fun with me
there's not much left to attack
I hope that you're nearly done with me
you sold me out and that's that

all sold out I'd never seen
a mind so tangled, a girl so strangled
all sold out well I felt so green
it was just like that
I was put down flat
I was sold out just like that
oh baby

all sold out I'd never seen
a mind so tangled, a girl so strangled
all sold out well I felt so green
it was just like that
I was put down flat
I was sold out just like that

I missed the point of you doing it
your mind has just jumped the track
I took a bit different view of it
you sold me out and that's that

hey hey, that's that
