Coming down again, coming down again,
Coming down again, coming down again

Share your thoughts, there's nothing you can hide,
She was dying to survive
I was caught, oh, taken for a ride,
She was showing no surprise

Coming down again, coming down again,
Where are all my friends, coming down again

Coming down again, coming down again,
On the ground again, coming down again

Slipped my tongue in someone else's pie,
Tasting better ev'ry time
She turned green and tried to make me cry,
Being hungry it ain't no crime

Coming down again, all my time's been spent,
Coming down again,
Coming down again...
