The po-lice in New York City
They chased a boy right through the park
And in a case of mistaken identity
The put a bullet through his heart

Heart breakers with your forty four
I wanna tear your world apart
You heart breaker with your forty four
I wanna tear your world a part

A ten year old girl on a street corner
Sticking needles in her arm
She died in the dirt of an alleyway
Her mother said she had no chance, no chance!
Heart breaker, heart breaker
She stuck the pins right in her heart
Heart breaker, pain maker
Stole the love right out of you heart

Heart breaker, heart breaker
You stole the love right out of my heart
Heart breaker, heart breaker
I wanna tear your world apart

Doo, doo doo doo doo doo doo, doo doo doo....
