Rolling Stones - Down The Road Apiece

Now if you wanna hear some boogie like I'm gonna play  
It's just an old piano and a knockout bass  
The drummer's man's a cat they call Charlie McCoy  
You know, remember that rubber-legged boy?  
Mama cookin' chicken fried and bacon grease  
Come on along boys it's just down the road apiece  
Well there's a place you really get your kicks  
It's open every night about twelve to six  
Now if you wanna hear some boogie you can get your  
fill

And shove and sting(?) like an old steam drill  
Come on along you can lose your lead  
Down the road, down the road, down the road apiece  
Well there's a place you really get your kicks  
It's open every night about twelve to six  
Now if you wanna hear some boogie you can get your  
fill

And shove and sting(?) like an old steam drill  
Come on along you can lose your lead  
Down the road, down the road, down the road apiece
