Rolling Stones - Empty Heart

A empty heart is like an empty life
I said a empty heart is like a empty life
Well, it makes you feel like you wanna cry
Like you wanna cry
Like you wanna cry
Well you've been my lover for a long long time
Well you've been my lover for a long long time
Well you left me all alone, and end my time
I want my lover again
I want my lover again
I want my lover again
I want it back again
Yeah, a little stick
Yeah, a little bit darling
Take it down
Take it down
Yeah, take it down
Come on back to me, baby
Come on back to me, baby
Come on
Come on back to me
And I'll show ya
I'll show ya
That a empty heart means a empty life
Yeah an empty heart like a empty life
Oh, it makes you feel like you wanna die
Like you wanna die
Like you wanna die
(I wanna die)
