Rolling Stones - Factory Girl

Waiting for a girl who's got curlers in her hair
Waiting for a girl she has no money anywhere
We get buses everywhere
Waiting for a factory girl
Waiting for a girl and her knees are much too fat
Waiting for a girl who wears scarves instead of hats
Her zipper's broken down the back
Waiting for a factory girl
Waiting for a girl and she gets me into fights
Waiting for a girl we get drunk on Friday night
She's a sight for sore eyes
Waiting for a factory girl
Waiting for a girl and she's got stains all down her
dress
Waiting for a girl and my feet are getting wet
She ain't come out yet
Waiting for a factory girl
