Rolling Stones - Good Times

Whoa la la ta ta
Whoa la la ta ta
La la la all night long
Wanna tell you
Whoa la la ta ta
Whoa la la ta ta
La la la all night long
C'mon let the good times roll
We're gonna stay here to soothe our soul
It could take all night long
The evening sun is sinking low
The clock on the wall says it's time to go
I've got my plans I don't know about you
I tell you exactly what I'm gonna do
Get in the groove and let the good times roll
We're gonna stay here to soothe our soul
It could take all night long
It might be one o'clock it might be three
Time don't mean that much to me
Ain't felt this good since I don't know when
I might not feel this good again
So c'mon let the good time roll
We're gonna stay here to soothe our soul
It could take all night long
All night, all night
All night, all night long
Somebody said it might take all night long
All night, all night whoa
C'mon let the good times roll
We're gonna stay here to soothe our soul
It could take all night long
